## "GREAT AMERICAN PARTY" HOTSPOT OPENS AT CIRCUS CIRCUS

Rock & Rita's brand-new "Great American Party" hotspot at Circus Circus hosted its VIP grand opening bash. Kevin Burke, star of "Defending the Caveman", got the party started with Rock & Rita's signature toilet bowl souvenir cup, while several of the world's top flair bartenders stepped to the stage to balance, juggle and pour libations. Guests enjoyed an array of Chef Alfonso Contrisciani's signature dishes including "Ma's mac and cheese," hot dog sliders, fried bologna sandwiches and coconut shrimp.
